

# Hawaiian Lodge

Brotherly Love, Relief, and Truth

## Message from the East

Aloha brethren, and Mahalo Nui Loa for your continued support for Hawaiian Lodge. September is here, and that means our Past Masters will be coming out in full force to do a Master Mason conferral - please come join us to see the veritable 'masters' at work! As always, we will be celebrating the Past Master's conferral with a banquet at the Hale Koa hotel, so we look forward to seeing you there.

I am pleased to announce that we will be putting together a Cable Tow yearbook this year. Worshipful Serafin "Jun" Colmenares and Raymund Liongson have done excellent work on the Cable Tow issues over past years and I have enlisted their help for putting together this yearbook to reflect over the past years events. We haven't had a Cable Tow in a while and hopefully we can continue this trend moving forward.

Our meetings have been great over the summer months, with lots of great fellowship and food. As I have mentioned many times in the past, great food often sets the tone for a good meeting, and I wanted to personally thank the selfless service of our stewards, knockers, and entered apprentices, and all those who make those meals a success.

A hui hou kakou brethren, and safe travels. See you in lodge.

## Message from the Pillars

The months seem to be going by faster and faster as your officers qualify for their seats for next year. Come in support of our newly obligated brothers as they take the masonic journey. Last month we did second degree conferrals on a few of our newly obligated brothers.

Dino Fernandez did an excellent exemplification of the G Lecture this evening -- twice. We also reviewed his conferral of the 2nd Degree obligation -- also well done. I have declared him to have passed his qualification for Sr Warden, pending his completion of the HMC test.

**Past Masters  
Conferral**

**Past Masters  
Dinner**

**Hawaiian Lodge  
Masonic Picnic**

**Grand Lodge  
Fast Class**

Marlon Calventas did a competent job in the Middle Chamber lecture, and is progressing in his SD work in the 2nd section of the MM Degree.

Next month we have a very full calendar as we will be enjoying our Past Masters doing a 3rd degree conferral. Let's show our appreciation and support to our past masters by attending the practice on September 7th as well as the conferral that will take place on September 14th.

After what is sure to be a Masterful display of the 3rd degree by the past masters, we will be able to dance the night away with them at the Past Master's Banquet. The banquet will be held on Friday, September 23rd at the Hale Koa Hotel, starting at 6:30. Don't forget to get your reservations to the sitting Junior Warden Dino Fernandez. The reservation is attached to this newsletter. In addition, if you know any widows that would like to go please pass the word on. This will truly be a wonderful Past Masters Banquet.

Please note Hawaiian Lodge now has the following mailing address:

Hawaiian Lodge

Honolulu, HI 96823

**Past Masters Practice and conferral:**

OK. It is finally that time of year. We get to see the Past Masters put on a wonderful showing of the 3rd degree. Please be sure to show your support to the Past Masters by coming to the Practice on September 7th as well as the 3rd degree conferral on September 14th.

**Past masters Banquet:**

Put on your dancing shoes and come celebrate with us. The Past Masters Banquet this year will be on Friday, September 23rd at the Hale Koa Hotel. Please bring your partner and enjoy the evening with us and all of your favorite Hawaiian Lodge Past Masters. Great food and fun...

**First degree Conferral:**

First degree conferral on September 28th will be done to get our candidates ready for the the grand lodge fast class.

**Coming Soon Grands Lodge Fast Class:**

That time of year... Grand Lodge Fast Class is fast approaching. The event is planned for October 8th. Hawaiian Lodge will have over 10 candidates for the fast class - come out and support our brethren through the Fellow craft and Master Mason's degrees.
